

Salmonella

The background of the page is a light green color with several large, dark green, hand-drawn outlines of Salmonella bacteria. These outlines are elongated and slightly curved, with some showing flagella at one end. The overall style is simple and illustrative.

TYPE: Microbe

THEME: Bacteria

- ◇ I am a bacteria
- ◇ I live in humans and animal guts
- ◇ I also live in the soil and in food products
- ◇ I am too small to see without a microscope but for a microbe I am quite big!
- ◇ Sometimes I can make people and animals very sick
- ◇ People and animals need to take antibiotics if Salmonella is making them sick.
- ◇ People can avoid being sick by washing their food in clean water, cooking food thoroughly and washing their hands before eating
